Eastville Medical Practice

Oct 2013

Issue 9

Patient Survey 2013

The patient survey is here again, so please ask for a copy from reception if you would like to take part. The more responses we get the more useful the results are, so we appreciate every survey returned to us. The survey will run until October 11th. We'll report the results back to you in the next newsletter.

Online Appointments

Online appointment booking has arrived! A selection of our appointments are now available to be booked on the internet. If you would like to sign up, please ask at reception. Because it is very important that we maintain the security of your data, you will have to provide proof of your identity (see below for details) to reception before they can provide you with the registration document. You will then have to sign up online.

ID required:

- ⇒ Photo ID
- ⇒ Proof of name and date of birth (this will probably be covered by the photo ID)
- ⇒ Proof of address

Farewell...

Last month we were sad to say goodbye to **Nurse Jackie Miles**, who has now left the practice. We wish her well for the future.

And we have also said goodbye to **Dr Clausen** for a few months as she is now on maternity leave. We look forward to her return and wish her and her family all the best.

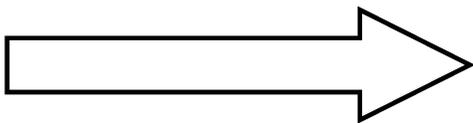

Au revoir...

We would
also like
to say...

Welcome!

to some new
members
of staff!

We have recently welcomed a new Nurse to our team – **Lisa Merchant** joined us at the end of August. Also joining us from the beginning of October will be **Dr Havinga**, who will become a salaried GP with us for the next year, and **Farnaz Watson**, who will become our new Clinical Practice Pharmacist. We welcome them all to the team and look forward to working with them!

Don't forget your flu jab!

We are now booking appointments for flu vaccinations. These are important for anyone aged 65 and over, anyone with a chronic condition, pregnant women and carers. Please ask at reception, who will book you into one of our flu clinics.
